**5 TWO PART FCC STATEMENT**

The two part FCC statement is printed as separate label because there is no place for it on the product label.

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

**Figure 8 Two part FCC statement**
